Modern Spiritualism

Uriah Smith

Modern Spiritualism Uriah Smith

In these challenging times, the line between good and evil has become increasingly blurred. Disguised as popular entertainment, evil masquerades as good. Meanwhile, seemingly “harmless” psychics, Wicca organizations, Magic 8-balls, Ouija boards and even Harry Potter introduce spiritualism into homes. Spiritualism offers power, knowledge, reuniting with deceased loved ones and the thrill of the unknown. It has offered hope to those in despair and strength to the weak. But the questions we must ask are, has it fulfilled, if any, of these promises? Are we being deceived or are we selling stock options in our soul to the prince of darkness himself? The Bible solemnly warns that in the last days evil influences will be let loose upon the world; false pretensions will be urged upon the midst of men and deceptions, and signs and wonders will appear—so deceptive that, if possible, they will deceive the very elect. Modern Spiritualism, by Uriah Smith, offers a Bible study on this important topic. In this book, Smith investigates the true nature of spiritualism, showing the role it has in the daily lives of many and the consequences it will ultimately inflict. Uriah Smith skillfully shows from the standpoint of prophecy and scripture the original nature and tendency of this movement and how we can avoid being clutched in its grasp. With modern spiritualism stealthily taking control of the world, Smith’s message—first published in the 1800’s—is needed now more than ever.
