Surprise Encounters: A Gay Erotica Anthology Sabb

I am not sure what to say to introduce this collection of twenty-four gay erotic short stories to you. None involves a motor mechanic, but one involves rough miners, and there is a barbarian. They all involve surprises, but some are surprises that occur in relationships and some are surprise sexual encounters with strangers. Most are meant to be nothing but entertaining, yet a couple are very serious. Some were first written to entertain "him," the man I most want to entertain and who inspires me as no one else does, and a few were not.

I think the best thing I can say about these stories is *"may you enjoy reading them as much as I enjoyed them, when I wrote them."*
