A NEW YORK TIMES BESTSELLER

Sherwood and Orson should never have gone into that cave.

That day, a door was opened from our world into a dark and profane realm...and earth's destiny was changed forever.

In this demented future, whatever life remains on earth is oppressed by the evil shadowsmen. Only a gang of ruthless and powerful children called the Wrenchies can hope to stand against them. When Hollis, a lonely boy from our world, is magically given access to the future world of the Wrenchies, he finally finds a place he belongs. But it is not an easy world to live in, and Hollis's quest is bigger than he ever dreamed of.

Farel Dalrymple brings his literary and artistic powers to bear in this sprawling science fiction graphic novel about regret, obsession, and the uncertainty of growing up.
