Question: What is the "End Of the World"?

Answer: This life on earth is a sort of Matrix, a computer program. Once it terminates, a new world order will be established.

Question: Who runs the Matrix?

Answer: Aliens! No, not aliens (it was a joke). The Matrix is ran by the Master of the Universe.

Question: Who is the Master of the Universe?

Answer: The One Who owns everything and Who is everlasting.

Question: What has the Matrix got to do with religion?

Answer: When the Master created the Matrix and the Mankind in it, the man was innocent, a sort of an infant that didn't master anything. He was like a baby who just came to the world.

The Master waited for a while and then gave the Mankind the book of instructions - laws to live by in order to get protection of the Master and to survive the Matrix.

Special note: The instruction book is a voice from the distant past. It was written in a way that people would still understand it even thousands of years later. There is no other such a book in existence.
