Law and Social Justice in Higher Education (Core Concepts in Higher Education) Crystal Renée Chambers

The latest volume in the *Core Concepts in Higher Education* series explores the complexity of law in higher education and both the limits and opportunities of how law can promote inclusivity and access on campus. Through a historical and legal framework, this volume discusses undergraduate students' histories of inclusion and struggles for social justice in higher education by race, sex, social class, dis/ability, and sexual orientation. Bridging research, theory, and practice, *Law and Social Justice in Higher Education* encourages future and current higher education and student affairs practitioners to consider how they can collaborate to further a just society.

Special features:

- Discussion of case law illustrates the reach and limits of law and where higher education professionals can continue to push for social justice.
- Accessible to non-lawyers, chapters highlight key legal terms and key concepts to guide readers at the beginning of each chapter.
- End-of-chapter questions provide prompts for discussion and encourage student interactivity.
