The Classroom Is Bare... The Teacher's Not There Martha Karlovetz

"The Classroom is Bare" is the story of Linda Favero -- a masterful, gifted teacher and her struggle with brain cancer. Inspired by her courage, her concern for others and her love of life, Linda's students, school community, and family rallied around her throughout the ordeal. Written by Linda's mother, Martha Karlovetz, this is a story about teachers and the impact they have on their students' lives. It is also one of the few books ever written by a parent that deals with the death of her adult child.
