In the blink of an eye, millions of people on earth have disappeared. The Rapture, predicted centuries ago in the Book of Revelation, has finally happened. Now, the evil one rules the world, and those left behind must make a crucial decision. Each one must choose whether to receive the mark of the beast, or die. Never have faith and courage been more important for the group of believers called the Tribulation Force.

The Left Behind Series has topped best-seller lists across the country, been the subject of special features in national media, and captured the attention of Hollywood producers. With sales in the tens of millions, the Left Behind books have become the biggest selling inspirational series of all time. Now, you can hear all the apocalyptic action voiced by Audie Award-winning narrator Frank Muller in this complete, unabridged production.
