Valiant Gentlemen: A Novel Sabina Murray

Following her *New York Times* Editor's Choice collection of short stories *Tales of the New World*, historical fiction master Sabina Murray returns with an epic and bold novel of friendship and betrayal set across four continents and a 40 year time-span.

In prose that is darkly humorous and alive with detail, *Valiant Gentlemen* reimagines the lives and intimate friendships of humanitarian and Irish patriot Roger Casement; his closest friend, Herbert Ward; and Ward's extraordinary wife, the Argentinian-American heiress Sarita Sanford. *Valiant Gentlemen* takes the reader on an intimate journey, from Ward and Casement's misadventurous youth in the Congo—where, among other things, they bore witness to an Irish whiskey heir's taste for cannibalism—to Ward's marriage to Sarita and their flourishing family life in France, to Casement's covert homosexuality and enduring nomadic lifestyle floating between his work across the African continent and involvement in Irish politics. When World War I breaks out, Casement and Ward's longstanding political differences finally come to a head and when Ward and his teenage sons leave to fight on the frontlines for England, Casement begins to work alongside the Germans to help free Ireland from British rule. What results is tragic and riveting, as both men are forced to confront notions of love and betrayal in the face of the vastly different tracks their lives have taken.

Reminiscent of the work of Peter Carey and Michael Ondaatje, *Valiant Gentlemen* is a uniquely human account of some of early 20th century's larger historical figures from a “ravishing” (*O magazine*) and “brilliant” (*Boston Globe*) voice in fiction today.

From reader reviews:

Glenn Flinchum:

In this 21st hundred years, people become competitive in each way. By being competitive currently, people have do something to make them survives, being in the middle of the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated that for a while is reading. Yep, by reading a publication your ability to survive boost then having chance to stand up than other is high. For you personally who want to start reading the book, we give you this specific Valiant Gentlemen: A Novel book as basic and daily reading guide. Why, because this book is greater than just a book.

David Conte:

The e-book untitled Valiant Gentlemen: A Novel is the guide that recommended to you you just read. You can see the quality of the guide content that will be shown to anyone. The language that article author use to explained their ideas are easily to understand. The article writer was did a lot of study when write the book, hence the information that they share to your account is absolutely accurate. You also can get the e-book of Valiant Gentlemen: A Novel from the publisher to make you much more enjoy free time.

Carol Jackson:

Why? Because this Valiant Gentlemen: A Novel is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your talent and your critical thinking method. So , still want to hold up having that book? If I were you I will go to the guide store hurriedly.

Deborah Young:

This Valiant Gentlemen: A Novel is great reserve for you because the content that is full of information for you who else always deal with world and also have to make decision every minute. This particular book reveal it details accurately using great organize word or we can point out no rambling sentences inside it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but difficult core information with attractive delivering sentences. Having Valiant Gentlemen: A Novel in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen small right but this book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. stressful do you still doubt which?
