Dante's Daughter Heather Graham

Hearts collide when the daughter of a former football pro must interview her greatest rival

Aspiring journalist Katie Hudson, daughter of the late Hall of Famer Dante Hudson, knows everything there is to know about football. Her editor is convinced that Katie can work her family connections to get an in-depth interview with Kent Hart, the elusive superstar receiver of the Sarasota Saxons, a team on the verge of going to the Super Bowl. Though Kent has always idolized Katie's father—a man he considers to be his mentor—she has harbored resentment toward Kent for years. Swallowing her pride isn't easy when the ghost of the man they both loved stands between them. Katie is dogged, but what will happen when she discovers a new side to the man she thought she knew?

This ebook features an illustrated biography of Heather Graham including rare photos from the author's personal collection.
