Part two of a thrilling action-adventure sci-fi duology featuring indomitable characters, incredible worlds, and plenty of rip-roaring action and thrills!

Search, destroy, survive!

Captains Skyler Luiken and Gloria Tsandi (and their respective crews) have smashed through the deadly Swarm Blockade but now find themselves scattered around the planet Carthage and the space stations she holds in her orbit. Their mission is now twofold: destroy the military compounds of a race of nefarious alien overlords and find a way back home to Earth.

Standing in their way are a race of horrifying, technologically advanced aliens armed with incredible weapons. Low on supplies and with their ability to communicate compromised, the surviving humans must rely on all their cunning, strength, and plain old good luck to turn the tables and overcome their foes.

The Dire Earth Duology begins with *Injection Burn*
