Inside the Minds provides readers with proven business intelligence from C-Level executives (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies nation-wide, rather than third-party accounts from unknown authors and analysts. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is headed and the most important issues for the future. Through an exhaustive selection process, each author was hand-picked by the Inside the Minds editorial board to author a chapter.
