Thomas McGuane

Horses Thomas McGuane

Travel the world of horses, with two major American artists as your guides.

Horses and humans have a long history together, from wild steppe to farm field to battlefield, from rodeo arena to backyard. In *Horses*, Jay Dusard and Thomas McGuane illuminate the special bond that grows between riders and mounts. Their book is a memorable collaboration between two masters: Dusard offers his insight in words as well as in his extraordinary photography, McGuane in a pair of essays.

"Those who love horses are impelled by an ever-receding vision, some enchanted transformation through which the horse and the rider become a third, much greater thing," writes McGuane, also an acclaimed novelist and horseman. More than words, more than pictures, this slim, beautiful book is also a "third thing."

"To some people," McGuane observes, "horses have wings." Comic, exquisite, gritty, and wise—*Horses* flies on wings of its own. 45 b/w and color photos.
