Fish are people too. Or so it seems on the imaginary island of Kapupu, the setting for the wet and witty sea creatures of Sherman's Lagoon. For more than a decade, creator Jim Toomey has delighted readers with his off-center look at pop culture through the eyes of its namesake character, Sherman, and his coral-reef companions. Now, for the first time, the very best of this cast of lagoonies is captured in a treasury of classics. *Sherman's Lagoon 1991-2001: Greatest Hits and Near Misses* gives readers the opportunity to follow the evolution of the satirical strip from the first day it ran in the Escondido (Calif.) Times-Advocate on May 13, 1991, all the way up to the present day. This comprehensive collection highlights the complete history of the adventures of Sherman, the happy-go-lucky, brain-go-slow shark, and his lagoon-dwelling friends, including: o Fillmore the turtle, Sherman's sensible sidekick o Hawthorne, the cranky, beer-candwelling hermit crab o Megan, Sherman's pearl-clad wife o Ernest, the big-brained philosophical fish o And Thornton, the surfboard-toting polar bear The compendium also features the funniest moments from the occasional humans who have inhabited the make-believe lagoon, such as Captain Quigley, the vengeful fisherman who lost his leg to Sherman years ago. This master collection of Jim Toomey's colorful cast of creatures will be treasured by longtime fans-and provide those new to the satirical strip an opportunity to catch up on all the underwater fun they've missed during the last decade.
