Historical information plus design ideas and advice for a Victorian vintage home.

[Praise for the UK edition:] *Well-researched and documented... Essential for anyone interested in Victorian design and decoration.*

- Library Journal

The Victorian House Book is a fascinating and essential guide to a rich and varied design age. The book details numerous interior and exterior styles -- from the High Victorian and Queen Anne Revival to the Classical and Gothic -- and showcases homes from the United States and Great Britain.

Full of inspiring ideas and fascinating information, the book is organized room by room including conservatories, libraries and billiard rooms. More than 500 color photographs and 1,500 line drawings show the beauty and elegance of Victorian homes and reveal details of their architectural features. A wide range of design elements is examined, including:

- House styles and plans
- Traditional colors and finishes
- Construction features
- Furniture styles
- Roofs and gables
- Ceilings and fireplaces
- Wallpapers and upholstery
- Decorative glass and moldings
- Curtains and floor coverings
- Railings and ironwork.

The Victorian House Book also includes a trouble-shooting guide with information and advice on renovation techniques and care and maintenance. A source list provides the names, addresses and websites of manufacturers and suppliers.
