Wings of Tavea: Solus Series Book Two Devri Walls

Kiora is rapidly learning that evil and lies come in shades of black and white and swirling greys, but nothing could have prepared her for the shock of leaving Meros. Kiora and her protector Emane step through the pass into a world they never knew existed but were always meant to save, only to find it far worse than they could have ever imagined. Good has been forced into hiding for its own survival, while the rest of the land bows to the Shadow, a force that pushes any remaining thoughts of Dralazar from Kiora's mind. This land is full of new creatures, each more dangerous than the last. Her visions have taken on a deadly twist, and magic, or what comes of it, was never so real. And then there is Alcander: a Tavean, their guide, and an entirely different kind of trouble. Wings of Tavea is Book 2 in the Solus Series, a young adult fantasy series.
