Lawyer Sheila liked nothing better than to screw over a middle-aged, portly white man during questioning at depositions or during jury trials except for one other thing. She wanted black dick and it did not matter who provided it as long as it was big and attached to a big black brother.

Introduced to interracial by an older neighbor while still in her early teens, Sheila had become a predator, seeking out what she needed. Even on her wedding day, while still in her wedding dress, she took one of the reception parking lot attendants into a closet for a quickie with his big black piece of meat..

Do not expect to like Sheila; she is not a nice person. That is, unless your skin color is black and you are a big black stud the enjoys using white women, and don't mind being used yourself.

Be warned, this one is pretty hard core. Written for readers 18 and up but that may not be old enough for this one.
