Cycling the River Loire: The Way of St Martin John Higginson

Cycling the River Loire The Way of St Martin. The 1370km cycle route is described from Orange in Provence along the Loire to St Nazaire. The tour has been divided into 23 riding stages of varying lengths, depending to some extent of the topography, but more so on the places that should be visited en route.

The route has something for everyone. It includes dramatic vistas from high above the Ardeche Gorge, lazy days of flat riding through fields of indolent cattle, the chance to explore vineyards producing some of the world's finest vintages and the great collection of castles and palaces which line the river's banks. Accommodation is plentiful whether you prefer the cheapest gites d'etape, the friendly chambres d'hotes, or the comfortable hotels.
