Power Baccarat 2 Byron F. Hebert

Updated and revised in 2000, (Originally titled Power Baccarat), Hebert has included advanced techniques, hit'em and run strategies, step-by-step instructions and a complete players guide for getting the best odds at -- and beating -- baccarat. This book should appeal to beginners as well as experienced players who are looking for fresh approaches to the game. It covers the basics, then moves to important sections like scoring; streaks; patterns; trends; bet selection methods; money management; playing with discipline. This could be one of the best books written on the subject in the past decade because of some fresh ideas never touched on before. The author is a player and contributing writer to several gaming publications. 241 pages
