Route 66 in the Missouri Ozarks Joe Sonderman

Route 66 in the Missouri Ozarks picks up the journey west where its companion book, Route 66 in St. Louis, leaves off. As Bobby Troup's song says, Route 66 travels "more than 2,000 miles all the way." But one would be hard-pressed to "Show Me" a more scenic and historic segment than the Missouri Ozarks. The highway is lined with buildings covered with distinctive Ozark rock. It winds through a region of deep forests, sparkling streams, hidden caves, and spectacular bluffs. This book will take the traveler from Crawford County to the Kansas line. Along the way, there are small towns and urban centers, hotels and motels, cafes and souvenir stands. Take the time to explore Missouri's Route 66--it is waiting at the next exit."
