Take a much deserved break from the stresses of modern day life with a hobby that is nostalgic, creative and therapeutic all at the same time. *The Aboriginal Art Colouring Book* provides beautiful designs inspired by Aboriginal art to color in that are a step beyond children's favorites and perfect for adults too. The paper is ideal for coloring using marker pens, colored pencils, felt-tips or paints, and the designs are printed on just one side of the paper to avoid show-through. There are small, simple motifs that are perfect for coloring in when you have just a few minutes to spare, as well as more absorbing projects for when you have more time. At the front of the book are some ready-colored images to inspire you, and all of the Search Press coloring books can be downloaded as PDFs from our website [searchpress.com](http://searchpress.com). Those who prefer to work onscreen can scan the images from the book and use their favorite software to color them. Whether you color for relaxation or wish to incorporate the pictures into larger, more creative projects, there is something for everyone in this beautiful book.
