Called for Freedom: The Changing Context of Liberation Theology

José Comblin

Called for Freedom: The Changing Context of Liberation Theology José Comblin

In this work one of the pioneers of liberation theology in Latin America reassesses the movement in light of post-Cold War realities. Comblin outlines a liberative theological pastoral agenda for now and the decades to come in the face of massive urbanization and the apparent triumph of the global marketplace. With the increasing "apartheid" of rich and poor, the cause of liberation remains as urgent as ever - perhaps more so.
