Encyclopedia of Neuroscience

George Adelman, Barry H. Smith

Encyclopedia of Neuroscience George Adelman, Barry H. Smith

Originally published in two volumes by Birkhauser Verlag in 1987, this edition is a CD-ROM multimedia product (MS-Windows version initially) to be published on an annual basis. Over 700 contributors, who participated in the first edition, have been invited to contribute to the second edition. However, a large number of authors have also been invited to write on new topics.
