Last Shot (Dev Haskell - Private Investigator) (Volume 6) Mike Faricy

Last Shot is the SIXTH offbeat (and very funny) mystery in the Dev Haskell Private Investigator series. Dysfunctional PI Dev Haskell receives a request from beautiful, red-headed Desi Quinn to investigate the trumped-up charges that ruined her life and sent her to prison six years ago. Desi's life was destroyed after a brief relationship with upstanding citizen, Man-of-the-Year, Gaston Driscoll, who just happened to be her boss. She views Dev as her last hope--her last shot--but the impossibly dangerous scenario she describes makes Dev think the investigation would be out of his league and he politely declines. As Desi's story slowly unravels, Dev realizes (under a mountain of guilt) that he made a huge mistake. He embarks on a mission to make things right, only to become a killer's next target. An entertaining tale of intrigue, rank ineptitude, and raucously entertaining one night stands, Last Shot is another funny, fast paced, engrossing thriller from Minnesota's master of the bizarre.

From reader reviews:

Richard Slawson:

As people who live in the modest era should be up-date about what going on or details even knowledge to make these individuals keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by reading books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This Last Shot (Dev Haskell - Private Investigator) (Volume 6) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Robert Schrader:

In this era globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The book that recommended to you personally is Last Shot (Dev Haskell - Private Investigator) (Volume 6) this guide consist a lot of the information on the condition of this world now. This kind of book was represented how does the world has grown up. The language styles that writer value to explain it is easy to understand. The actual writer made some analysis when he makes this book. Honestly, that is why this book appropriate all of you.

Ok Lord:

Many people spending their moment by playing outside along with friends, fun activity having family or just watching TV all day every day. You can have new activity to invest your whole day by examining a book. Ugh, do you think reading a book can really hard because you have to take the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smart phone. Like Last Shot (Dev Haskell - Private Investigator) (Volume 6) which is having the e-book version. So , try out this book? Let's notice.

Al Fraire:

As we know that book is important thing to add our know-how for everything. By a e-book we can know everything we wish. A book is a pair of written, printed, illustrated as well as blank sheet. Every year was exactly added. This reserve Last Shot (Dev Haskell - Private Investigator) (Volume 6) was filled about science. Spend your spare time to add your knowledge about your science competence. Some people has different feel when they reading a book. If you know how big benefit from a book, you can really feel enjoy to read a reserve. In the modern era like today, many ways to get book that you wanted.
