Meet eighteen year old Kiya Carter. A young, shy young lady with a dark past. From the outside looking in you see a thriving ambitious girl, raised in a stable two parent home, but at age 16 the stability is shaken. Instead of dealing with the issues head on Kiya finds a way to rebel. The sweet hazel eyed beauty meets her first dose of danger in the form of Alicia Clay also known as Ace.. For a year straight the two were Bonnie and Bonnie. Then one night, everything crashes and burns. Kiya walks away from that poisonous lifestyle and she vows never to return to it again. As she heads off to college Kiya sees this a new start. At Alabama State she meets Alexandria "Lex" Johnson. A smooth talking, charming stud from the suburbs of Chicago with secrets of her own. With everything going so well nothing can go wrong for Kiya, but her enemy from her past Breelle "Bree" Jones wants Kiya to crumble and fall. Bree is fueled by her hatred and jealousy of Kiya. She wants to bring Kiya down at any cost. Kiya continues to run away from the poison of her past, hoping that the problems will fade. However, Alicia returns and she is determined to get things back to where they once were. Will the relationship between Alexandria and Kiya hold tight through these obstacles or will someone new come along when things fall apart?
