*Spon's Civil Engineering and Highway Works Price Book 2009* is more than just a price book. It provides a comprehensive work manual that many in the civil engineering, surveying and construction business will find it hard to work without. It gives costs for both general and civil engineering works and highway works, and shows a full breakdown of labour, plant and material elements, with labour rates updated in line with the latest CIJC wage agreement.

This 23rd edition, in its easy to read format, incorporates a general review throughout, including updates to the Capital Allowances and VAT and Construction sections to reflect the latest government legislation.

This year, for the first time, the download includes a versatile and powerful ebook.
