Soren Kierkegaard

The Living Thoughts of Kierkegaard (New York Review Books (Paperback)) Soren Kierkegaard
Translated from the Danish by Walter Lowrie, David Swenson, and Alexander Dru

The Danish philosopher Kierkegaard is one of the master thinkers of the modern age, a defining influence on existentialism and on twentieth-century theology, and this brilliantly tailored selection from his vast and varied writings--made by the great English poet W.H Auden--is a perfect introduction to his work. Auden's inspired and incisive response to a thinker who had done much to shape his own beliefs is a fundamental reading of an author whose spirit remains as radical as ever more than 150 years after he wrote.
