Retooling the Mind: The Way Forward for Nigeria Dr. Anthony M Okoh

"Retooling the Mind: The Way Forward For Nigeria" is an X-ray of Nigeria's socio-cultural environment, a decaying environment sandwiched between unrelentingly-devouring evil of systemic corruption and spiritually-challenging presence of unruliness, chaos, insecurity, anger, shamelessness, and a plethora of other mental or emotional deformities. The stubbornly-unyielding character is "You", the typical Nigerian, who reside in an urban setting in Nigeria or "abroad". Retooling the Mind shows you: * How to beat the death trap of adultery * Where to find trees, real trees, that have money - real money - growing on them; they are not in New York City or Chicago! * How our culture endorses, encourages, and promotes corrupt practices * What is driving Nigerians out of Nigeria, and how to stop the "bleeding" * Why our many challenges may just be hard problems, but not mysteries This brutally expounding book is mind-boggling, carefully and cleverly crafted to stimulate your curious and reading appetite. It appeals to the moral and emotional sensitivities of patriotic Nigerians - National Youth Corps (NYSC) members, the humble civil servant, appointed government officials, university community, and private sector business managers. Retooling the Mind is, ultimately, seeking a cure for our collective socio-cultural insanity.
