## Around the World in 80 Gardens Monty Don

Monty Don, host of the BBC-TV's *Gardener's World* and one of the United Kingdom's most respected gardening writers, ventures far from home in this vivid account of gardens on all seven continents. *Around the World in 80 Gardens* visits the exotic floating gardens of the Amazon, magnificent Renaissance Italian water gardens, colorful alpine flower meadows in Norway, and Monet's world-famous Giverny, all brought to life in beautiful photographs. In his explorations of the often surprising horticulture in these and other locales, Don emphasizes context: as he puts it, "No garden is an island." Don applies that insight to the Dutch Het Loo, the tropical gardens of Thailand, and the intriguing fusion of indigenous and colonial garden cultures of Australia, New Zealand and South Africa.
