[Menage Amour: Erotic Consensual BDSM Cowboy Menage a Trois Romance, M/F/M, spanking, whipping, sex toys, HEA] Living in New York City was something that Jenna Talbot loved. It provided her with endless opportunities for adventure and satisfied her needs. She hadn't lied when investigators questioned her about other employees and their embezzling activities at the firm she worked for, but because of her honesty she was out of a career. Jace Kline and Anthony Hanson grew up together as best friends on a farm that Jace's parents owned. They did everything together. Always had and always would. The middle of North Dakota was a hard place to find good help for a reasonable price, but a friend found a connection and they were desperate for anyone they could get their hands on. Jenna has always needed more than just one man to feel fulfilled. All Jace and Tony want is a woman to love both of them for who they are and understand that sometimes needing more isn't a bad thing. ** A Siren Erotic Romance
