## A Gentle Plea for Chaos: Reissued Mirabel Osler

In this book the author describes the way her garden evolved and how, without meaning to do so, she let it take over her life. She suggests moving away from planning, regimentation and gardening with the mentality of a stamp-collector. Frequently funny and always stimulating, she writes of the alchemy of gardens, of the 19th-century plant-collectors and plant illustrators and of the gardening philosophers, all fertilizing great thoughts along with their hollyhocks.
