*"Hal! What are you doing? Don will have your hide for this!" she gasped.*

*She kept her voice light and playful, not wishing to offend him. Hal was an old friend of her husband's and up to now he had always been the perfect gentleman with her. Tonight he had just a bit too much to drink. She could smell it on him as he breathed over her shoulder.*

*"You're so sexy, little Jenny!" he growled into her ear. "I've been hot for you ever since Don introduced us! Whaddya say? You and me, huh? Whaddya say?" He was stroking her belly with one hand, clasping his highball glass with the other. His hips were pushing his groin up and down in the groove of her ass.*

*"Hal! Don and your wife are right in the next room! What are you thinking of?" She kept her hands in the water and tried to ignore the bulk of his hard-on as he dry-humped her. She couldn't move. He had her pinned to the sink...*

*Jenny groaned deeply. What was he trying to do to her? He had to talk dirty to her as well! It was one thing that never failed to turn her on. Don never talked dirty. She was his wife, he said, and he didn't want to use dirty words with her. But she loved it! It thrilled her to hear them. She couldn't help it!*

When Hal, best friend of Jenny's husband starts to take lewd liberties with her at the kitchen sink, she is bemused to feel how much she wants it. Her husband always treated love-making as just that; making love. But Hal was direct, and dirty, and Jenny she loved every minute of it. Wasting no time at all, at their next group camping trip Hal excuses himself from a canoe ride with his friend Don in order to ride his wife roughly and carnally more than a few times, and Jenny loses herself in the kind of lustful abandon she has never once experienced before. But how far will their extra-marital affair go, what depths of depravity will it sink to?

From horny ruttings at stolen moments, to lesbian and group swinging sessions in-between, performing in front of adult photographers, to MMF no-holes barred play, our young and experienced wife will let her husband's friend mold her into the lascivious nymph she always wanted to be. Will her husband ever suspect and what manner of naughtiness will the whole circle get up to when he does?

Graphically delicious and leaving little to the imagination, *Desperately Dirty Wife* is the debauched tale of a wanton woman in very willing training.
