Odyssey to Ushuaia: A Motorcycling Adventure from New York to Tierra del Fuego

Andrés Carlstein

Odyssey to Ushuaia: A Motorcycling Adventure from New York to Tierra del Fuego Andrés Carlstein
What makes a man sell all he owns and ride a motorcycle 22,000 miles from his hometown in upstate New York to the southernmost tip of South America? Some call it craziness; Latinos call it “cojones.” This funny, fast-paced narrative follows a young man in his search for meaning, adventure, and the best rum in Latin America. Battling rough roads, careening buses, and bribe-taking cops in 14 countries, he discovers breathtaking beauty as well as what it feels like to hit a truck head-on. He and his companions for much of the trip—two bikers he met over the Internet—form an unlikely and amusing trio. In the tradition of *Road Fever* and *Motorcycle Diaries*, **Odyssey to Ushuaia** is a riot for every reader, and absolutely essential for those planning a similar trip. Loaded with insider information such as how to bribe cops and not lose one’s savings, how to cross a border without going crazy, how to handle an accident, and much more, it also features an appendix with the detailed trip lists from all three riders.
