Clerical Vestments: Ceremonial Dress of the Church (Shire Library) Sarah Bailey

Churches up and down the United Kingdom have some remarkable collections of the most exquisitely embroidered clothing which are part of our hidden heritage. Our cathedrals hold in their treasuries some of the most beautiful textile pieces ever produced in Europe and beyond. There is a whole fascinating history to these priestly vestments and how they developed for use in our churches here in Britain and the West of Europe. This book touches on the tradition and mysticism which surrounds church vestments and the role these garments continue to play in the 'theatre' of church, how colour and ornament were and are still used as visual symbols of Christian faith. Sarah Bailey explores both historical and contemporary production of clerical vestments including some of the practicalities of design, the symbolism of colour, the sourcing of fabrics and the embroiderers themselves.

TOC: Introduction /The London Season /Origins and 'rules' /The ritual of court presentation /How to be a debutante /Parties /Famous debutantes /The last debutantes /Index
