Saving Laura: A Novel Jim Satterfield

Twenty-one-year-old Shelby Lee plunges into dangerous terrain when blatantly - and very foolishly - he robs Aspen, Colorado's most notorious cocaine dealer, fleeing the scene with five kilos of Peruvian flake and \$75,000. Shelby escapes to the sagebrush hills of southwestern Wyoming, hoping to disappear into the wilderness until after the furor dies down. Then he plans to return and wrest his old girlfriend, Laura, from the dealer's clutches. Shelby's half-baked scheme goes awry when a chance encounter with a teenage Bonnie and Clyde puts him in the middle of a shootout with two highway patrolmen, intensifying his challenge to stay hidden off the grid.
