## **FLEECE IN YOUR HANDS: Spinning With a Purpose, Notes and Projects** Beverley Horne

Beverley Horne's research in spinning the wool from twenty sheep breeds is of great interest and importance in this book. Although some of the breeds discussed are rare in the United States, most have an American counterpart and study of her approach to each fleece should enable any spinner to develop the confidence to tackle many different kinds of wool. The emphasis on project spinning is the greatest offering of this book...
