Indecently Lucky

As a lieutenant in the Royal Navy, Benedict Frost had the respect of every man on board--and the adoration of the women in every port. When injury ends his naval career, the silver-tongued libertine can hardly stomach the boredom. Not after everything--and everyone--he's experienced. Good thing a new adventure has just fallen into his lap...

When courtesan Charlotte Perry learns the Royal Mint is offering a reward for finding a cache of stolen gold coins, she seizes the chance to build a new life for herself. As the treasure hunt begins, she realizes her tenacity is matched only by Benedict's--and that sometimes adversaries can make the best allies. But when the search for treasure becomes a discovery of pleasure, they'll be forced to decide if they can sacrifice the lives they've always dreamed of for a love they've never known...
