Six months have passed since Rosey Mishimi's fatal accident. But Franklin still can't adjust to being without her. Every day he feels as though he's moving underwater, just going through the motions. Remembering Rosey is the only thing that brings him any relief.

He is used to having conversations with her in his head, but when Rosey starts to talk back to him one night, Franklin can't believe his ears. Is she really there with him, or just a figment of his imagination? At first Franklin doesn't care as long as it means having his Rosey back. But as the days pass it becomes clear that Franklin's sorrow is bidding Rosey to a life she can no longer have. He knows he must find it in his heart to free the girl he loves so she can find her own destiny. But it is so hard to let go of someone he needs so desperately.

For anyone who has ever been in love or experienced loss, Louise Hawes has crafted a haunting tale of devotion and sacrifice that readers will take to their hearts.
