Book 3 of Holly's Heart. Too many little white lies can create one big jam. Holly and her best friend, Andie, are having a race to see who can collect the most pen pals by Labor Day. The contest was exciting and fun at first, but Holly eventually finds herself in a bit of a mess when she starts writing to a male pen pal. College-aged Lucas Leigh, Holly's newest and top-secret pen pal and the nephew of her favorite author, thinks Holly is a much older, published writer. Holly is thrilled when Lucas suggests they read each other's manuscripts, but her seemingly innocent deception backfires when Lucas asks to meet Holly in person: Now Holly must give up the opportunity to meet her favorite author...or face the consequences of telling lies.
