Sketches of Etruscan Places and Other Italian Essays (Penguin Twentieth-Century Classics) D. H. Lawrence, Simonetta De Filippis

This volume contains seven essays D.H. Lawrence wrote in 1927 after visiting several Etruscan cities in central Italy. Six were published posthumously in 1932 as "Etruscan Places". Some appeared in magazines in Lawrence's lifetime, but he expressed deep concern that they be published in a volume with the photographs he had collected: in fact, only 20 of the 45 illustrations reproduced here with Lawrence's own captions were included in 1932.
