The Crimson Fall (The Sons of Liberty) (Volume 1)

Jordan Ervin

The Crimson Fall (The Sons of Liberty) (Volume 1) Jordan Ervin
America as we know it has changed.

Federal drones patrol our streets, cell phones have been replaced by quantum computing contact lenses, and nearly everything is manufactured inside of a 3D printer. Life is comfortable, technology is advancing beyond our wildest dreams of yesterday, and everyone is too busy to notice or care that the United States of America has exchanged her precious liberties for luxuries and a false sense of security.

When Congressman Adam Reinhart loses one of his closest friends to a vicious terrorist attack, he sacrifices his career and reputation as he begins a dangerous journey to discover the true identity of those responsible. The deeper he digs, the more he realizes that the truth itself has been carefully concealed from the world behind a thick, bloodstained veil of lies.

As Adam and the few friends he has remaining by his side begin to uncover the most frightening conspiracy of modern history, Lukas Chambers--an American icon with powerful allies--initiates the final stages of a world-changing event. But when the secrets Lukas has forfeited his soul to gain are on the verge of being exposed to the world, he stops at nothing to protect his lifelong dream: a world without the United States of America.

As the clouds of war billow on the horizon, the two men begin a perilous battle for the heart of America. To the victor, the soul of a nation. To the other, death . . . or worse.
